Sources: Natural Gas Annual Respondent Query System. Energy Information Administration, Washington, DC. Nebraska Department of Water, Energy, and Environment, Lincoln, NE.

Notes: The customer count is for natural gas delivered directly to the type of customer or for natural gas transported and delivered to the type of customer for the account of others. Organizations, groups, companies, individuals, or fuels in this agency's pages are for information only and are not an endorsement by the State of Nebraska or the Nebraska Department of Water, Energy, and Environment and its management or staff.

¹ Other is a category only to be used for service provided directly to consumers for whom the correct category is uncertain from among residential, commercial, industrial, electric power, and vehicle fuel. The Other category has a total number but the source did not provide the individual company(ies) numbers.
