Sources: Natural Gas Annual Respondent Query System. Energy Information Administration, Washington, DC. Nebraska Department of Water, Energy, and Environment, Lincoln, NE.

Notes: Transported natural gas is "delivered for the account of others" and is not owned by the company that delivers it to the consumer. Divide the price by ten to obtain the price per hundred cubic feet or the approximate price per therm. Organizations, groups, companies, individuals, or fuels in this agency's pages are for information only and are not an endorsement by the State of Nebraska or the Nebraska Department of Water, Energy, and Environment and its management or staff.
