Tracy,

The Forest Service appreciates the opportunity to review the Nebraska Draft Regional Haze Progress Report for the 2<sup>nd</sup> planning period. Cooperative efforts such as these ensure that, together, we will continue to make progress toward the Clean Air Act's goal of natural visibility conditions at our Class I areas. We do not have any suggestions for change. Please feel free to contact me if you have any questions.

Good morning,

I hope this email finds you well. Nebraska wishes to request formal FLM consultation on its draft Regional Haze Progress Report for the second planning period. The draft report is attached for your review.

If you have questions or need additional information, please don't hesitate to contact me.

Thank you!  
Tracy

Respectfully,

**Tracy Wharton**
