

PUBLIC NOTICE
Nebraska Department of Water, Energy, and Environment
Permitting and Engineering Division

Notice is given to the public, according to Chapter 10 of Nebraska Administrative Code Title 129 - Nebraska Air Quality Regulations, that the Department is proposing to issue an air construction permit to Omaha Public Power District (FID 116017), an electric generation facility (Standard Industrial Classification code 4911) located at 14601 S 168th St., Gretna, Sarpy County, Nebraska. There is no anticipated change in emissions of regulated air contaminants due to the proposed revision.

All Counties in Nebraska currently meet the National Ambient Air Quality Standards (NAAQS) for those pollutants subject to a NAAQS. There are currently no Counties classified as being in non-attainment with the State Total Reduced Sulfur (TRS). It is the source's responsibility to ensure no take of threatened or endangered species result from the proposed power station.

The Department proposes to reopen Condition III.(D)(4) of issued construction permit CP25-036 for cause in accordance with Title 129, Chapter 9, Section 006. The reason for reopening the permit is to correct a New Source Performance Standard (40 CFR Part 60) citation.

The proposed permit and supporting materials are available Thursday, October 1st, 2026, through Monday, November 2nd, 2026, at the NDWEE, 245 Fallbrook Blvd, Suite 100, Lincoln, Nebraska, and electronically at <https://dwee.nebraska.gov>. Comments received by the Department during this period will be considered prior to the final decision. Only comments received by the Department during this period on new and significantly revised conditions to the previous construction permit(s) will be considered. During this period the applicant, or any interested person or group of persons, may request or petition the Director for a public hearing. The request must be in writing and state the nature of the issues to be raised and all arguments and factual grounds supporting their position. If a public hearing is granted by the Director, the hearing will be advertised by public notice at least 30 days prior to the hearing.

Inquiries may be made at (402) 471-2186 or dwee.airquality@nebraska.gov. Individuals requiring special accommodations or alternate formats of materials should notify the NDWEE by calling (402) 471-2186. TDD users should call (800) 833-7352 and ask the relay operator to call the NDWEE at (402) 471-2186. For further information, to submit comments, or request a hearing you may contact the NDWEE by email "dwee.airquality@nebraska.gov" or by mail submitted to the attention of Air Construction Permitting Section Supervisor, 245 Fallbrook Blvd, Suite 100, Lincoln, Nebraska 68521.

The NDWEE does not discriminate on the basis of race, color, national origin, disability, age, or sex in administration of its programs or activities, and NDWEE does not intimidate or retaliate against any individual or group because they have exercised their rights to participate in or oppose actions protected/prohibited by 40 C.F.R. Parts 5 and 7, or for the purpose of interfering with such rights.
