16) Alt. Phone Number:	

Revision Request Information

18) Minor Operating Permit Revision for: (Check One)	a. <input type="checkbox"/> Class I Operating Permit – issue date: _____
	b. <input type="checkbox"/> Class II Operating Permit – issue date: _____

Description of Change

19) Describe in detail your reasons for the proposed changes to the existing air quality operating permit. Describe fully how the facility will continue to comply with air quality permitting requirements following the requested changes. Include in the discussion any new or changed applicable requirements or applicable requirements under the Act that will apply if the change occurs. If you need additional space, mark the check box below and attach additional pages with the facility information (Facility Name, Date, and DWEE Facility ID) at the top of each additional page.

Check this box if additional pages are attached. Also note the number of additional pages here –

Nebraska Air Quality Minor Operating Permit Revision Request Form

FACILITY NAME: _____ **DATE:** _____
DWEE Facility ID: _____

20) Change in Emissions as a Result of Permit Revision

Pollutant	Emissions Change Resulting from Revision (tons/year)	Pollutant	Emissions Change Resulting from Revision (tons/year)
Particulate Matter (PM)		Volatile Organic Compounds (VOC)	
PM with an aerodynamic diameter less than 10 microns (PM ₁₀)		Individual Hazardous Air Pollutants (HAP)	
PM with an aerodynamic diameter less than 2.5 microns (PM _{2.5})			
Nitrogen Oxides (NO _x)			
Sulfur Oxides (SO _x)		Total HAPs	
Carbon Monoxide (CO)		Greenhouse Gases, Mass Basis (GHGs)	
* PSD only		Carbon Dioxide Equivalent (CO _{2e})*	

Emission Calculations Attached? YES

21) Permit Language Attachments

Title 129, Chapter 9, Section 003.03B requires you to submit suggested draft operating permit language. On a separate sheet(s) of paper, provide the appropriate draft permitting language that will revise your existing operating permit. The Department also requests that you attach the current operating permit language.

Suggested Draft Operating Permit Language Attached? YES
Current Operating Permit Language Attached? YES

22) Operating Permit Revision Requirements

- The minor permit revision does not violate any applicable requirement or applicable requirement under the Act. (003.01)
- The minor permit revision does not involve significant changes to existing monitoring, reporting, or recordkeeping requirements in the permit. (003.01)
- The minor permit revision does not require or change a case-by-case determination of an emission limitation or other standard, or a source-specific determination for temporary sources of ambient impacts, or a visibility or increment analysis. (003.01)
- The minor permit revision does not seek to establish or change a permit term or condition for which there is no corresponding applicable requirement or applicable requirement under the Act to which the source would otherwise be subject. (003.01)
- The modification occurring is not a change or related to a change defined as a modification under Title 129, Chapters 12, or 13: nor does it require a construction permit under Title 129, Chapter 3 or Chapter 4. (003.01)
- The minor permit revision is not required by the Director to be processed as a significant revision. (003.01)
- The minor permit revision does not involve the use of economic incentives, marketable permits, emissions trading, or other similar programs or procedures. (003.01)

By checking the YES box I signify to the best of my knowledge, that this request for a minor permit revision to the operating permit for the facility identified above meets all of the requirements identified on this form.

YES

IMPORTANT: You must check the box by **each statement** as well as the “YES” box as part of your certification to verify minor permit revision requirements will be met.

FACILITY NAME: _____	DATE: _____
DWEE Facility ID: _____	

23) Responsible Official Certification Statement and Request to Process as a Minor Permit Revision	
<p>I certify, under penalty of law, that based on information and belief formed after reasonable inquiry, the statements and information contained on, and accompanying, this minor permit revision form are true, accurate, and complete. I request that the minor revision procedures outlined in Title 129, Chapter 9 be used to process this air quality permitting action.</p>	
_____ Signature (See Instructions for Signatory Requirements)	_____ Date (mm/dd/yyyy):
