Date Signature of owner or authorized agent

(over)

This form must be completed in full. An incomplete or defective application will be returned with 90 days being allowed for resubmission. Failure to resubmit a corrected application within this time period shall cause dismissal of the application and consequent loss of priority.

Forward this application to:

Nebraska Department of Water, Energy, and Environment
Surface Water Permitting
245 Fallbrook Blvd., Suite 100
Lincoln, Nebraska 68521-6729

Phone: (402) 471-2186

Scaled plans depicting the project must be submitted for departmental approval prior to construction. Within six months after the approval of an application for water power, the applicant shall enter into a contract with the State of Nebraska for leasing the use of all water so appropriated. Such lease shall be upon forms prepared by the Department, and the time of such lease shall not run for a greater period than fifty years; and for the use of water for power purposes the applicant shall pay into the state treasury on or before January 1 each year, fifteen dollars for each one hundred horsepower for all water so appropriated.
