**APPROVAL OF PETITION VAR-11872 FOR LEAVE TO FILE AN APPLICATION
FOR A TEMPORARY PERMIT TO APPROPRIATE WATER**

WATER DIVISION 2-C

BACKGROUND

1. On November 3, 2004, the Department of Natural Resources (Department) issued a formal moratorium on all new surface water appropriations in portions of the Upper Niobrara White Natural Resources District (UNWNRD). The moratorium included the Niobrara River Basin above the Mirage Flats diversion dam.
2. The Department's November 3, 2004, Order and the provisions of *Neb. Rev. Stat. § 46-714(3)(n)* allow for new surface water appropriations and increases in irrigated acres if the Department grants a variance and subsequently approves a permit for such new use.
3. On April 20, 2026, Wade Yada, on behalf of the Dawes County Road Department (Petitioner), filed Petition VAR-11872 for Leave to File an Application for a Permit to Appropriate Water. The proposed application is for a **temporary permit** to appropriate **less than 10 acre-feet of water** for the purpose of **public road construction** from **the Niobrara River** at a point of diversion located in the **SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 36, Township 29 North, Range 49 West of the 6th P.M. in Dawes County**.
4. When filing a variance request, a project proponent must offer a clearly stated basis for such request and must offer sufficient good cause shown. *Department of Natural Resources Rules for Surface Water, Title 457 Neb. Admin. Code Chapter 23* lists six circumstances that may be put forward as justification for granting a variance to apply for new water use, in conjunction with an examination of good cause shown.

CONCLUSIONS

1. The maintenance of roads constitutes a public safety issue.
2. The proposed application is for a temporary permit to appropriate **less than 10 acre-feet** of water for **public road construction**. The Petitioner asserts that water use is a necessary component of the construction project which addresses a public safety issue.
3. For these reasons, Petitioner should be granted leave to file an application for a permit to appropriate water.
