3. Terms & Conditions of Previous Order(s)

All terms and conditions of previous Orders for appropriation D-467 remain in effect unless specifically changed by this Order.

4. Measuring Device

A measuring device, approved by the Department and at the Applicant's expense, may be required if so ordered by the Department.

5. Ongoing Statutory Requirements

The appropriator must:

- A. Notify the Department of any change in ownership or address.
- B. Notify the Department of the name and address of the person responsible for the use of the water appropriation (this may include farm managers, tenants, or relatives that actually apply the water to the approved use).
- C. Obtain approval from the Department prior to taking any action that changes the location of the point of diversion, the location of the place of use, the type of use, or the type of appropriation.

ADDITIONAL INFORMATION

Failure to comply with applicable laws, Department Orders, or the terms of this Order may result in cancellation, suspension, administrative penalties, or criminal prosecution.

Under Nebraska law, failure to use a portion or all of a perfected appropriation for **more than five consecutive years** for its approved purpose may result in its cancellation.

This appropriation **does not guarantee** water availability. Senior appropriations have legal priority. If insufficient water is available, junior appropriators may be closed. Appropriators may request enforcement action by contacting the local field office.
